Strange Encounters

A comedy. A young man is on holiday in Scotland, in the far North, on his own for the first time. The people he meets on the road, however, are not the usual type of friendly ordinary people you find every day. Does he turn back and go home? Afraid not!

*Alan Kennedy, the founder of **Storytime**, is a musician, writer, actor and storyteller. Well known throughout the peninsula, **Storytime** combines, live music, comedy and audience participation to provide an hour of Theatre in English which can be enjoyed by everyone.*
